## FINANCIAL ARRANGEMENTS AND DENTAL INSURANCE

We are committed to providing you with the best possible care. If you have dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance, and your understanding of our payment policy.

Payment for services rendered is due the date of treatment unless payment arrangements have been approved in advance by our staff. We accept cash, checks, Mastercard, Visa, and Care Credit.

Returned checks and balances older than 30 days may be subject to additional collection fees and interest charges of 1 ½% per month.

## INSURANCE POLICY

To avoid disappointment, we strongly suggest that patients contact their insurance company to make certain their dental insurance assumptions are correct. As you know, most insurance companies pay for only a portion of dental costs. Further, patients must realize that provisional services are rendered to a person, not an insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility for the date the services are rendered.

I understand and agree that I am responsible for the balance on my account for any professional services rendered.
